Yesterday I was carrying you on my shoulders through the park, and today I walked you in to dance the waltz. I don't know when it happened, but I feel like the luckiest man in the room. Thank you for making me so proud, mija.

Dad

I remember the day you were born like it was today. Seeing you in that dress, it's hard to believe the little girl with the braids is the young woman in front of me. Always be as brave and as kind as you are. I love you with all my heart.

Mom

“

My beautiful girl, so many years of hugs and afternoon hot chocolate. Today my hands are shaking with emotion. God bless you, and never stop laughing the way you do. A big kiss from your grandma.

Grandma Rosario

Together since first grade, and now fifteen. We've practiced the dance so many times we could do it in our sleep. Thank you for being the best friend anyone could ask for. Tonight, we give it everything!

DEDICATION

Fifteen already, kiddo. Whenever you want uncle advice, just say the word. Grandpa advice comes later. A huge hug.

Uncle Javier

Remember when we played princesses in Grandma's garden? Today you really are one, and with the choreography you worked so hard on, even more. Thank you for letting me be in your court. Love you, cousin!

Paula Ortega

“

I watched you learn to walk and now I watch you dance. How proud I am of the young woman you have become. May life give you as much joy as you give all of us.

Grandpa Manuel

“

I never thought I'd get this emotional at a quinceañera. Thank you for inviting me to share this night with you. You're one of those people who make every place better just by walking in.

Daniela Ruiz

A toast to you, beautiful. May the next fifteen years bring you trips, laughter and good friends. And may you always have someone around to tell the best stories about when you were little. Cheers!

Aunt Carmen

“

I'm wearing a suit for the first time in my life, so you know how much I care. Thanks for cheering us on at every game. Happy birthday, Vale, and may the dance go perfectly.

Sergio Molina

“

On the day of your baptism we promised to look after you, and today you give us that love back a thousand times over. We are so proud of you. Count on us always, for the good and the bad.

Isabel & Andrés

Piano afternoons, nerves before every recital and laughs afterward. You have always played from the heart. Tonight, may your favorite music play and may we dance until they kick us out.

Claudia Navarro

DEDICATION

A few tears slipped out today, don't tell anyone. I'll keep your smile and our afternoons baking cake at my house. Be good, study hard and call me on Sundays. I love you, sweetheart.

Grandma Pilar

Vale, even though you steal the remote and my chips, you're the best sister in the world. Today I got to walk in with you and I wasn't embarrassed even a little bit. Love you, shorty.

Mateo Fernández

“

We've watched you all grow up from across the hall, and we're so happy to share this night with you. Valeria, you're a wonderful girl. Many more birthdays, and keep filling the building with joy.

The Salazar family

The most honest essays in class are always yours. I hope you keep writing and that every page of your life is as beautiful as tonight. Thank you for inviting me. A big hug.

Ms. Cruz

First it was the playground, then homework at your place, and now a party straight out of a movie. We promise to take photos of everything and keep quiet about the choreography. Happy birthday, Valeria. You shine brighter than the marquee numbers!

Nerea & Blanca

“

I promised you a dance and here I am, in new shoes with zero rhythm. Sorry in advance for stepping on your toes. Happy birthday, princess. Fifteen years, and so many more to live.

Uncle Rafa

“

I couldn't come from Miami, but tonight I'm with you on a video call and in my heart. Fifteen years, and it still feels like yesterday that we played on the beach. A huge hug, cousin.

Sofía Herrera

“

I helped you carry the speaker and hang the garlands, and I have no regrets. Best party I have ever been to, no question. Thanks for counting on me and for making me laugh so much. Here’s to many more!

Hugo Prieto

“

Today you turn fifteen, and I celebrate fifteen years of bragging about my goddaughter. You're joyful, generous and brave. May life always be as good to you as you are to others.

Aunt Mari Luz

“

Three months rehearsing the waltz and the surprise dance, and it came out amazing. Thank you for being the best dance partner. May tonight never end. We love you, and your dance moves!
